Sedge Warbler	3		
Wren	1		
Blackbird	3		
Robin	4		
Dunnock	2		
Reed Bunting	1	3	Nest at north end of buoy rope in Meadowsweet
Total	90	30	

There have been no recoveries reported in 2014.

I only put mist nets up at Whillet's this year - about 20 hours across July to mid Sept usually 160 feet of net.
