We have set up the clubs new Marquee 8 meters x 6 meters.

The Marquee will be available for members to hire, it has all four/doors walls as well.

Sirius the band will be in boat stand AA facing the club, so we have the marquee, club veranda, and club main room all open giving plenty of indoor and outdoor space to enjoy the band and BBQ .

We have 5-6 picnic benches and your welcome to bring your own seats, the BBQ will be on the grass /patio area.

The bar is up in the club house, so we have plenty of space for everyone to enjoy the evening taking the space they need to feel comfortable down at the club on what we hope will be a fun evening for everyone

Secret Ingredient (Julia Childs & Sarah Hawksworth) are managing the catering with a fantastic range of salads / condiments to go with the menu choices. If you can please order on
